

HYDRAULIC FRACTURING LUBRICANTS

AN HF SINCLAIR BRAND

CONVERTED ENGINES

- SENTRON™ LD 3000—Low Ash*
- SENTRON™ LD 8000—Low Ash
- SENTRON™ VTP 10W-40—Valve Train Protection

TRANSMISSION

- DURADRIVE™ HD SYNTHETIC 668—Allison plus others
- PRODURO™ TO - 4*30—Caterpillar
- DURON™—Engine Oil

HYDRAULICS

- HYDREX™ AW/MV—Zinc
- ENVIRON™ AW/MV—Ashless
- DURATRAN™—UTF

Lubricants Formulated To Work As Hard As You

DIESEL ENGINE OILS

DURON™ is our most durable heavy-duty diesel engine oil product line ever—ready to take you further between oil drains† and help you use less fuel.

DURON™ GEO, LNG/CNG, CK-4, SN
 DURON™ GEO LD engine oils are designed for today's Compressed Natural Gas/Liquefied Natural Gas (CNG/LNG) mobile engines that are powering savings in fuel costs for transit authorities, cement mixers, refuse fleets and even long-haul vehicles.

DURON™ UHP Full Synthetic
 DURON™ UHP is an ultra-high-performance full synthetic heavy-duty engine oil that provides excellent protection and performance, especially in low-temperature environments. It helps conserve energy and reduces engine wear through ease of cold weather startup and lower viscous drag.

DURON™ SHP Synthetic Blend
 DURON™ SHP is a super-high-performance synthetic blend heavy-duty engine oil that delivers exceptional performance. Outstanding shear stability, combined with superior wear protection, helps deliver comprehensive protection to vital engine parts over a wide range of operating conditions. DURON™ SHP 15W-40 is designed to handle more demanding operations and extends drains.

DURON™ HP High Performance
 DURON™ HP is a high-performance heavy-duty engine oil that delivers all-weather engine protection, including dependable cold startup and exceptional shear stability. It can deliver extended drain capabilities (exceeding OEM standard intervals).†

*Recommended for most 4-stroke and some 2-stroke stationary gas engines in gas compression applications. Also suitable for use in engines fitted with catalytic converters.

†Extending drain intervals should always be undertaken in conjunction with an oil analysis program.

POWER END

- SYNDURO™ SHB—PAO
- ENDURATEX™ EP—Mineral
- TRAXON™—GL Multi-grade
- TRAXON™ Synthetic—GL Multi-grade

FLUID END

- PRECISION™ Greases—Lithium
- VULTREX™ Greases—Aluminum
- PEERLESS™ Greases—Calcium
- ARDEE™—Rock Drill
- PC Plunger Lubricant—Oil

COOLANT

- HD Expert Premium—Extended Life
- HD Expert Endurance—OAT Corrosion Defense

AN HF SINCLAIR BRAND

OUR NO-NONSENSE LUBRICANTS **WARRANTY**

We will repair equipment or replace equipment parts that are damaged due to defects of a Petro-Canada Lubricants product, as long as the lubricant is used in accordance with your equipment manufacturer's and our recommendations.

IT'S MORE THAN JUST A WARRANTY. IT'S A COMMITMENT.
